O R D E R

On August 29, 1988, Operator Assistance Network ("OAN") filed a supplemental response to the Commission's Order of July 7, 1988, which requested information concerning the identity of OAN's customers. Pursuant to 807 KAR 5:001 Section 7, OAN petitions that the information contained in the supplemental response be accorded confidential treatment on the grounds that it is sensitive commercial information that could cause substantial competitive injury if disclosed to the public.

The Commission is of the opinion and finds that OAN's Petition for Confidential Treatment should be granted, subject to the provisions of 807 KAR 5:001 Section 7.

Accordingly, the above finding is HEREBY ORDERED.

Done at Frankfort, Kentucky, this

26th day of September, 1988.
